To our transgender, non-binary and gender non-conforming communities:

We at the LGBT Campus Resource Center know many are bearing the weight of this moment heavily—a time when, for some of us, our mere existence itself is taken into question. Today, we write to share that we affirm and value who you are and are here to support you in any way we can. We encourage you to be in community at this time, and to reach out to any of our staff to connect if you want to talk. We also invite you to join us in community for our program this Thursday with trans and intersex activist, Dominic Ravina, from 4:30pm-6pm, and to our bi-weekly discussion with our new (and openly trans) Director, Andy Cofino on Mon, Oct 29 from 9am-11am. Both programs will be held in our space in the Student Activities Center. Again, please do not hesitate to reach out for support. Andy is also available to meet one on one with students and can be contacted by email at acofino@lgbt.ucla.edu.
